

Minutes  
Meeting of Brierwood Neighborhood Association  
January 18, 2007 at Baymeadows Community Church

The meeting was called to order at 7:05 pm by Chairman Steve Spicklemier. Officers present were Yadon and Hartell present was Yadon. Approximately 25 residents attended.

Steve welcomed everyone and reminded everyone to check with Nancy Barry and make sure they were on the email list to receive announcements of meetings and other news. Steve sent a card to Art Shad to give our support during his recent treatment for pain killer addiction. Mr. Shad is back on the job and in good health.

The sidewalk on Old Kings still needs attention. New gates were installed at the drainage ditch on Runnymede. A concrete spill was cleaned up on Old Kings S after a call was made by Kenny Mueller. Steve will contact Art Shad's office concerning the "telephone substation" at Craven and Rathbone. We feel they should beautify area-it is always dug up.

Liz Yadon reported the theft of her blower from the garage. It has been recovered by police from a pawn shop on St. Augustine Rd. Make sure you record serial numbers. It aids in recovery of property. Ms. Holland reported that all the hubcaps were stolen off her SUV one night before Christmas while it was parked in her driveway. Her family lives in well lit cul de sac.

SHADCO representative, Kenny Mueller, reported on the past 2 months' activity. Police have made themselves in the trouble areas on Sunbeam Rd. Numerous arrests have been made. A complaint was made to Pappa John's regarding one of their drivers. So far it is unknown what action was taken. Traffic police have been out this week writing tickets for speeders and stop sign runners.

The traffic Calming Committee will begin meeting again. They feel we need more stop signs and a raised intersection at Rathbone and Runnymede.

Steve initiated a discussion of changing our meeting to the first or second Thursday of the month to increase attendance at meetings. This will be discussed further at the February meeting. We will also nominate new officers and board members.

Steve closed the meeting by encouraging us to invite neighbors to attend- especially our young neighbors.

Refreshments were provided. The meeting was closed at 8:05 pm. The next meeting will be held on February 15, 2007 at 7:00 pm at Baymeadows Community Church.

Respectfully submitted,

Liz Yadon  
Secretary
