Neighborhood Watch reports: Nancy Barry reported that there is a form that can be signed to prohibit solicitation and peddling in a designated neighborhood. Volunteers would be needed to go door-to-door to obtain resident signatures.

Shadco Report: No report

SEPAC: No report

New Business: Russ introduced Jon Spickelmier. Mr Spickelmier has 2 insurance offices in the Jacksonville/St Augustine area. Website www.spickelmierinsurance.com A thorough explanation of the National Flood Insurance Program and FEMA was given. Floods do not usually happen in the areas with the higher risk (think Atlanta and Nashville in the past few years) An umbrella liability policy is also a good idea . Any damage, especially water damage should be reported immediately to your insurance agent. Mr. Spickelmier will be happy to get quotes for any residents and or discuss insurance coverages.

Meeting ended at 8:15.

Next meeting will be April 21 at 7:00 pm at Baymeadows Baptist Church
